**"Spring's greatest joy beyond a doubt is when it brings the children out." -Edward Guest.**

Our littlest human beings remind us of the joy in playing and exploring outside. Thanks to the generosity of our donors, VCTF is funding 31 programs this year that help children to know their value and their potential. We are grateful for your help in keeping Vermont kids connected and engaged, preparing them to do well in school, teaching them important skills to avoid risky behavior and broadening their minds through art, nature, literature, and theater.
