

*...A magical holiday adventure based on the book by Chris Van Allsburg
Union Station, Burlington, Vermont
December 7 & 8, 2024*

Fundraiser Description

The Vermont Children's Trust Foundation ("VCTF") is bringing **The Polar Express™** back to Burlington for its 22nd year. The event is a fundraiser for the Vermont Children's Trust Foundation, and provides a high quality, affordable holiday event for the whole family to enjoy. As VCTF's signature event, it is one of the organization's primary sources of fundraising dollars. **The Polar Express™** is an extremely popular event -- so popular, in fact, that tickets sell out immediately every year. Because it is such a high profile event, it provides great visibility for VCTF and the companies who support VCTF. All of our business supporters are offered advance ticket purchasing privileges for their employees, a fantastic way for our supporters to thank staff.

Based on Chris Van Allsburg's timeless holiday classic children's book, VCTF's magical journey aboard **The Polar Express™** includes story-telling, song-leading conductors, chefs in white jackets and hats serving hot cocoa and cookies, and a sea of elves greeting riders to the North Pole (Union Station) where they will experience a special reading of Chris Van Allsburg's book. The story ends with a surprise visit from Santa himself who beckons the children to follow him upstairs where he hands out shiny bells that ring true to all who truly believe.
