Children's Trust Fund Grants Cycle and Process:

The Children and Family Council for Prevention Programs oversees the Children's Trust Fund with the Agency of Human Services Department for Children Families, Child Development Division. The Vermont Children's Trust Foundation manages the Vermont Children's Trust Fund, which is a combination of public funds and funds raised by the Foundation.

The CTF grant cycle starts in early January with an open invitation to community organizations to submit proposals for funding. Technical assistance trainings are provided as necessary.

Grant review is conducted by a team of volunteer readers from diverse backgrounds in early May. Funding recommendations made by this committee are presented to the CF CPP for final review and approval. Grants approved receive funding beginning in September. VCT Foundation coordinates Results Based Accountability (RBA) and financial reporting from grantees on a semiannual basis.

A VCT Foundation staff member conducts a site visit to each grantee during the grant period.
