

Talking about Social Justice

PRESENTERS NAME, TITLE

DATE

Welcome and Introductions

- Introduce yourself (name, agency, role)
- What do you hope to get out of this session?

Objectives

Participants will be able to:

1. Define social justice, and its relevance to social service systems.
 2. Identify how issues of social justice impact communities and the children, youth and families who live in these communities.
 3. Define why it is important to address social justice issues and the intersection with cultural differences, unconscious bias and institutionalized systems of bias.
 4. Identify strategies to address social justice issues within individual spheres of influence.
- 

Group Discussion

What is your understanding of social justice?

Social Justice

Social justice refers to a concept in which equity or justice is achieved in every aspect of society rather than in only some aspects or for some people.

Social justice and the news media

How does the news media (social media, print media, television etc.) influence your appreciation and/or knowledge of social justice issues?

Thank you!
