

Parents, teachers and caregivers are rising up all across Vermont to provide for, educate and nurture children during these unprecedented times.

This spring, when you make a donation of any amount to the Vermont Children's Trust Foundation, you will have the option to send an e-card to a parent, grandparent, teacher, caregiver or guardian recognizing their hard work and sacrifice with a donation made in their honor. E-cards can be delivered right away, or on Mother's Day or Father's Day.

You can have confidence that your donation will be put to work supporting local programs that are serving children and families in our Vermont communities all over the state. We know they need VCTF more than ever as they adapt to overwhelming community need.

Any donation of \$100 or more will put you on our Polar Express advanced ticket list for two years - enabling you to purchase tickets in advance for both the 2020 and the 2021 Polar Express.

Thank you for supporting Vermont children and for honoring those who keep them safe, healthy and happy.
